A Word from the Pastor

Worship- Reverend devotion and allegiance pledge to God; the rituals or ceremonies by which this reverence is expressed. The English word worship comes from the Old English word worth ship, a word which denotes the worthiness of the one receiving the special honor or devotion.

Worship we must know that the Lord, He is God. We give our reverence, our respect and our repentant selves to Him (Ps 89:7). The Lord is God over us. He is transcendent, above and beyond us, and yet the Lord our God is immanent, near and with us. WE praise Him and worship Him because of who He is: God, and beside Him there is no other!

To worship is to accept the lordship of Jesus Christ. We as the Lord both to come into our lives and take up residence and we also ask Him to take over our lives and have precedence.

We know we are inadequate and insufficient as we are, but we know a great savior who feed us when we are hungry and find us when we are lost.

To worship affirms the goodness of God in our lives. We can declare with assurance; the Lord is good, His mercy is everlasting and His truth endures to all generations.

There is much confusion and chaos in the world; there is much hurt and hopelessness. We do not turn our backs or stick our heads in the sand in the face of these awesome realities, but we can through God's grace and His continual presence with us affirmation that He is good.

Each tribe leader will have her own tribe members. It is up to you to decide what tribe leader you would like to represent. However, do not let the opportunity pass you by to be on one of these lady's team. This event will take place on May 25, 2002 at 6:00 p.m.

Then on May 26, 2002 is our main event during the morning worship service. We have a renowned women of God who will deliver our Women's Day address. She is a born again believer and not ashamed of the Gospel of Jesus Christ. She is none other than Sister Jessie Highsmith of Roseville Missionary Baptist Church of Willard, North Carolina. Do plan to come and be blessed.

Scholarship Ministry

The Scholarship Ministry of NCCBC established to provide a multi-faceted support for our collegiate and military service members who strive to become productive and prosperous individuals in a progressive and technological society. As a result, the scholarship committee awards, with church funds, a one-time contribution of \$250.00.

The goal of the New Christian Chapel Scholarship Committee is to maintain communication with our students/careerist while they are in school or in the military by sending them correspondence to encourage them to continue pursuing their goals and objectives.

The New Christian Chapel Church Scholarship committee established the criteria below for members who apply for the scholarship. As a result, eligible recipients must adhere to the following:

1. Be an active member of NCCBC
2. Complete all requirements of the application
3. Be present for the interview process
4. Be present for graduation recognition during morning worship

We continue to strive to increase the scholarship award, which would allow the church to contribute to our future leader each semester that they continue their studies.

"Online With Jesus"

Vacation Bible School

June 3, 2002 - June 7, 2002 ~beginning nightly at 6:00 p.m.

Theme ~ "Online With Jesus"

"ONLINE WITH JESUS!" is centered on the theme verse found in Corinthians 1:9. This verse is part of the Apostle Paul's opening remarks in his letter to the church in Corinth. In his expression of thanks he mentions that the Corinthians have been blessed in Christ and "enriched in speech and all knowledge". He also states that the Corinthians did not lack in any spiritual gift. These gifts had been apportioned while they awaited the return of the Lord in order that they are "blameless" when He appears. The reason for all these blessing is based on the faithfulness of God. He is the one who has called them into fellowship with Jesus Christ, His son.

We, too, have the same offer available to us; we can be online with Jesus. Of course, unlike the Internet there is never any down time or slow access. But we can, and we are encouraged to stay connected to Him everyday. It is like Paul's admonition in 1 Thessalonians 5:17, "Pray without ceasing". We are invited into a fellowship that has no down time, no access fees and no software upgrades. God is the initiator and His line is always open and available to us.

Frederick's Pressure Washing and Maintenance

Frederick's Pressure Washing and Maintenance is owned by Al Frederick. Al is a long time resident of Magnolia, NC. Just about any surface can be pressure washed. Some surface should be done a couple of times a year to prevent permanent damage from occurring to the surface. Pressure washing is the affordable alternative to a bucket and scrub brush...does a better job too!

We also do building maintenance contracts, office buildings, churches, public halls...we do them all.

We'll do the cleaning while you take care of the business!! Give us a call!
