From the Pastor's Pen

So teach us to number our days, that we may apply our hearts unto wisdom. (Psalm 90:12)

Value Your Time

The secret of your success is found in your daily routine. Look at yours today. What ruts are you in that you could easily break out of? What habits are consuming your time? You say. “What difference do a few minutes make? You’d be surprised.

If each day you were to save five minutes by eliminating the things you do to keep from starting your day, five minutes by avoiding the talkers or other distractions, and ten minutes by taking shorter lunch breaks, these minutes may seem like much, but if you did those things just five days a week, you’d gain an additional 125 hours a year.

That’s three 40-hour work weeks to use for anything you want. Furthermore, if you’re a television watcher, you can double that time to six-40 hour weeks by simply watching 30 minutes less of television every day.

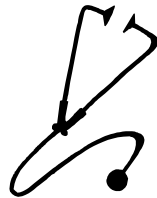

Think about it, you may be gaining things, but you’re running out of time. Find your God-given purpose before it’s too late.

Discipline yourself. Get into focus. Make every moment you have count.

Graduate Reflections

The New Christian Chapel Scholarship Ministry has been busy working with the 2002 graduates. Each year the scholarship ministry honors ALL graduates-from Pre-school graduates to Doctoral graduates. During morning worship on June 9, 2002, we saluted our graduates as they were attractively dressed in their caps and gowns. We recognized the preschool graduates as they will matriculate in the public school system next year as well as high school and post-secondary graduates. The Pre-school graduates received small trophies for their accomplishments.

This year our church family announces eleven high school graduates. They were Marcus Batts, Jeanine Brown, Antoinasha Carroll, Antoinette Carroll, James Dantley, Consuela Glaspie, Michael Scarborough, Michelle Scarborough, Marcus Smith, Lataria Williams and Bruce Chestnutt. They all received divine bibles from the church.

There were four post-secondary graduates who were acknowledges. Patricia Mason graduated with an Associates Degree in Business Administration from James Sprunt Community College. Michelle George received her Bachelors of Arts Degree from St. Augustines' College. Michael Boney received his Master's Degree from East Carolina University. Gary Brown received his Master's Degree from Norfolk State University in Virginia. They each received beautiful crystal-style trophies.

All high school graduates had the opportunity to apply for a one time \$250 scholarship to assist them as they continue their education. The students had to complete an application packet in its entirety and participated in an interview conducted by the scholarship committee. Five students participated in the scholarship opportunity. Based on their application packet, they could be recommended to receive the scholarship. Currently, scholarships have not been awarded.

To culminate our graduate recognition activities, the high school graduates were treated to an evening of good food and excitement at Alleigh's Restaurant in Wilmington, NC on June 14, 2002. Four of our graduates along with two committee members attended.

We are extremely proud of our 2002 graduates. We wish them God's Mercy and Blessings as they continue their journey through life.
